IN AND FOR THE COUNTY OF PIERCE

RYAN STIER, individually and as the
representative of all persons similarly situated,

Plaintiff,

v.

PEMCO MUTUAL INSURANCE
COMPANY AND PEMCO INSURANCE
COMPANY,

Defendants.

No. 18-2-08153-5

**AMENDED ORDER GRANTING
PRELIMINARY APPROVAL OF
CLASS ACTION SETTLEMENT**

Plaintiff, RYAN STIER, on behalf of himself and as the Representative of the certified Class, and Defendants, PEMCO MUTUAL INSURANCE COMPANY AND PEMCO INSURANCE COMPANY (collectively "PEMCO") all acting by and through their respective counsel, have agreed, subject to final Court approval following sending of the Class Notice to the Settlement Class and a hearing, to settle this Action upon the terms and conditions in the Settlement Agreement, also sometimes referred to as the Agreement, filed with the Court on December 16, 2020; and

The Parties have made an application pursuant to CR 23 for preliminary approval of the Settlement of this Action, as set forth in the Agreement; and

The Court has read and considered the Agreement and the exhibits thereto and has read and considered all other papers filed and prior proceedings had herein, and is otherwise fully informed, and with good cause appearing,

IT IS HEREBY ORDERED AS FOLLOWS:

1. This Preliminary Approval Order incorporates by reference the definitions in the Agreement.

2. The Court has jurisdiction over the subject matter of this Action and over all Parties to this Action, including the Named Plaintiff, all Settlement Class Members and Defendants.

3. The Court earlier certified the following Class (novated with a date when the Class ends, for purpose of providing settlement notice) defined as follows:

All PEMCO insureds with Washington policies issued in Washington State, who received compensation for the total loss of their own vehicles under their First Party Coverages (Comprehensive, Collision, and UIM) and received a total loss valuation from PEMCO based upon an "Autosource" estimate.

Excluded from the Class are (a) the assigned judge, the judge's staff and family, (b) PEMCO employees, (c) claims for accidents with dates of loss occurring before May 17, 2012 and after April 30, 2020 and (d) claims where only one PEMCO Autosource estimate was obtained, and it did not take a "typical negotiation" discount.

4. Plaintiff RYAN STIER was appointed as Class Representative, and the following counsel were designated as counsel for the Class ("Class Counsel"):

Scott P. Nealey
Law Office of Scott P. Nealey
71 Stevenson Street, Suite 400
San Francisco, California 94105

Stephen M. Hansen
Law Offices of Stephen M. Hansen, P.S.
1821 Dock Street, Suite 103
Tacoma, WA 98402

5. If final approval of the Proposed Settlement is not obtained, or if Final Judgment as contemplated herein is not granted, this Order shall be vacated *ab initio* and the Parties shall be restored without prejudice to their respective litigation positions prior to the date of this Order of Preliminary Approval.

6. Pending final determination of whether the Proposed Settlement should be approved, all proceedings in the Action shall be stayed until further order of the Court, except such proceedings as may be necessary either to implement the Proposed Settlement or to comply with or effectuate the terms of the Agreement.

7. Within 60 days after the entry of this Order, the Claims Administrator shall send a copy of the Individual Notice and a Claim Form (or Claim Forms if a Class Member has multiple claims), pre-printed with the Class Member's name and most recent address, the date of the loss, and the vehicle make, model, and year, by first-class mail, to each Person on the Updated Settlement Class List which is determined consistent with paragraph 28 of the parties' Agreement. Prior to any mailing the Claims Administrator shall update all addresses on the Class List by running the addresses thereon through the National Change of Address Data Base. In furtherance of this Paragraph, the Court appoints JND Legal Administration, as the Claims Administrator for this matter.

8. The Court preliminarily finds that the dissemination of the Individual Notice and Claim Form under the terms and in the format provided for in this Order and the Agreement constitutes the best notice practicable under the circumstances, and is due and sufficient notice for all purposes to all persons entitled to such notice, and fully satisfies the requirements of due process, the Washington Rules of Civil Procedure and all other applicable laws.

9. A hearing (the "Final Settlement Hearing") shall be held on May 7, 2021 at 9:00 o'clock a.m. Courtroom _____, as set forth in the Individual Notice, to determine whether the Proposed Settlement of this Action (including the payment of attorneys' fees and costs to Class Counsel) should be approved as fair, reasonable, and adequate, and to determine whether final judgment approving the Proposed Settlement and dismissing all claims asserted in this Action on the merits, with prejudice and without leave to amend, should be entered. The Settlement Hearing may be postponed, adjourned or rescheduled by order of the Court without further notice to the Class Members.

10. Objections to the Settlement shall be heard, and any papers or briefs submitted in support of said objections shall be considered, by the Court (unless the Court in its discretion shall otherwise direct) only if they comply with the objection procedures set forth in the Agreement and Notice. Specifically, members of the Class who have not previously opted out of the Class must file a notice of intent to object to the Settlement. To be effective, a notice of intent to object to the Settlement must: (1) contain a heading that includes the name of the case and case number; (2) provide the name, address, telephone number and signature of the Class Member filing the objection; (3) be filed with the Clerk of the Court not later than fourteen (14) days before the Final Settlement Hearing; (4) be served on Class Counsel and counsel for the Defendants at the addresses below by first-class mail, postmarked no later than fourteen (14) days before the Final Settlement Hearing; (5) contain the name, address, bar number and telephone number of the objecting Class Member's counsel, if represented by an attorney. Class Members represented by an attorney must comply with all applicable laws and rules for filing pleadings and documents in the Court; and State whether they intend to appear at the Final Settlement Hearing, either in person or through counsel.

11. In addition to the foregoing, a notice of intent to object must contain the following information, if the Class Member or his/her attorney requests permission to speak at the Final Settlement Hearing: (1) a detailed statement of the specific legal and factual basis for each and every objection; and (2) a detailed description of any and all evidence the Objector may offer at the Final Settlement Hearing, including photocopies of any and all exhibits which may be introduced at the Final Settlement Hearing. Any individual or entity who objects, must submit themselves or itself to discovery pursuant to the Agreement, under the time lines specified therein.

12. Settlement Class Members who wish to exclude themselves from the Settlement Class must prepare a written request for exclusion, postmarked no later than fourteen (14) days before the final approval hearing, with notice sent by the Claims Administrator to allow a least 45 days from mailing until the opt-out/objection deadline. Written requests for exclusion must be signed and include the individual's name, address, and telephone number, and expressly state the desire to be excluded from the Settlement Class. Requests for exclusion must be exercised individually by the Class Member, not as or on behalf of a group, class, or subclass, except that such exclusion requests may be submitted by a Class Member's Legally Authorized Representative.

13. All Class Members who do not opt out of the Class shall be bound by any Approval Order and Final Judgment entered pursuant to the Agreement, and shall be barred and enjoined, now and in the future, from asserting any and all of the Released Claims, as defined in the Agreement, against the Released Persons, as defined in the Agreement, and any such Class Member shall be conclusively deemed to have released any and all such Released Claims.

1/14/2021 4:56:00

14. Class Counsel agree that any representation, encouragement, solicitation or other assistance, including but not limited to referral to other counsel, of or to any Opt Outs or any other person seeking to litigate with Defendants over any of the claims covered under the Release in this matter could place Class Counsel in an untenable conflict of interest with the Class. Accordingly, Class Counsel and their respective firms agree (only to the extent that it is otherwise not violative of any applicable rules governing the practice of law) not to represent, encourage, solicit or otherwise assist, in any way whatsoever (including, but not limited to referrals to other counsel) any Opt Out except that referring such person to the Notice or suggesting to any such person the option of obtaining separate counsel, without specifically identifying options for such counsel, shall be permitted under the terms of this provision. Additionally, Class Counsel and their respective firms agree (only to the extent that it is otherwise not violative of any applicable professional rules) not to represent, encourage, solicit or otherwise assist, in any way whatsoever, any Opt Out or any other person who seeks to represent any form of opt-out class, or any other person, in any subsequent litigation that person may enter into with Released Persons regarding the Released Claims or any related claims, except that suggesting to any such person the option of obtaining separate counsel, without specifically identifying options for such counsel, shall be permitted.

15. The Settlement fits within the parameters necessary for potential final approval, and is therefore hereby preliminarily approved, but is not to be deemed an admission of liability or fault by Defendants or by any other person, or a finding of the validity of any claims asserted in the Action or of any wrongdoing or of any violation of law by Defendants. The Settlement is not a concession and shall not be used as an admission of any fault or omission by Defendants or any other person or entity. Neither the terms or provisions of the Agreement, nor any related

document, nor any of the negotiations or proceedings connected with it, shall be offered as evidence or received in evidence in any pending or future civil, criminal, or administrative action nor proceeding, to establish any liability or admission by Defendants except in any proceedings brought to enforce the Agreement, except that the Released Persons may file this Order in any action that may be brought against any of them in order to support a defense or counterclaim based on principles of res judicata, collateral estoppel, release, good faith settlement, judgment bar or reduction, or any other theory of claim preclusion or issue preclusion, or similar defense or counterclaim.

16. Upon motion of any party, the Court may, for good cause, extend any of the deadlines set forth in this Order without further notice to the Class.

17. Pending final determination as to whether the Proposed Settlement should be approved, no Class Member shall commence, prosecute, pursue, or litigate any Released Claims against any Released Person, whether directly, representatively, or in any capacity, and regardless of whether any such Class Member has appeared in the Action.

DONE IN OPEN COURT this 12 day of January, 2021.
